My Favorite Evaluation Comments:

"Instructor was very passionate about material"

- Fall 2007: Cognition

"Mr. Knapp is a great guy, he's a lot of fun and was very enjoyable as a professor"

- Spring 2008: Introduction to Psychology

"Mr. Knapp is very enthusiastic and really knows the subject matter, these qualities made the course really interesting."

- Spring 2008: Learning

"Dr. Knapp is a very approachable professor who actually was my inspiration for becoming a Psychology major. I was a nursing major, but after taking his course I felt like this is something I want to learn about and pass on to others"

- Fall 2008: Introduction to Psychology

"Dr. Knapp is a fantastic teacher, he presented the information in a way that made me want to know how it worked simply because I found it interesting not because I needed to complete the course. Everything about this class was wonderful in my eyes and I cannot speak highly enough of it or Dr. Knapp."

- Fall 2008: Cognition

"I loved the subject. The first chapter scared me, but as the teacher explained the material it became easy and amazingly interesting. Some of the material I learned in class I was able to use in other classes. It was great."

- Fall 2008: Cognition

"This course taught me tons of things I didn't know and improved my performance on tests needed for graduate programs etc."

- Spring 2009: Neuropsychology

"I wish I would have gone to every class."

- Spring 2009: Evolutionary Psychology

"Dr. Knapp was more than an instructor. He made sure that students knew he was approachable and compassionate. I appreciated his support in a personal matter that he listened to me on and that he is a terrific instructor. I learned a lot from him and hope that when I'm teaching I'm even half as good as he is."

- Spring 2009: Evolutionary Psychology
